Payment Terms

The financial needs of a private education-training center are quite substantial. In order for the school to meet its financial obligations it requires that parents must be faithful in meeting their monthly payments on the date due.

Tuition may be paid in full at the time of enrollment or re-enrollment each year or in 10 monthly payments due on the first of each month. These payments are past due on the 15th of each month. The first payment will be billed on September 1st or is due upon enrollment if enrolled after August 1st. The final payment will be billed June 1st. This covers the financial obligations for one full school term, August to May.

A \$10.00 late charge will be applied to the bill if not paid by the 15th of each month. A delinquent account extending into the 1st of the next month will result in the student not attending the next school month and being dismissed. Enrollment will not be granted to any student having a balance carried over from the previous year.

All parents must sign a Financial Commitment Form. An additional discount of 5% will be given on tuition for an entire year paid in advance; otherwise parents will be billed monthly in 10 monthly payments (September - June).

No financial adjustments are made for absences of any part-time or full-time student.

No refunds will be made for fees such as books, registration, etc., and for any tuition where the student has attended one day of school in any given month.

Exceptions regarding tuition adjustments are made on an individual basis.

This school receives no state or federal assistance, neither is it endowed or supported by any other organization.

We reserve the right to use school and church finances any way we deem necessary or appropriate.

Note: Tuition is not tax-deductible.
