The Harvest Christian Academy's Extended Day Learning Program (EDLP) is designed to meet the needs of parents who have difficulty picking up their children at the required dismissal time due to scheduling conflicts.

The Harvest Christian Academy's Extended Day Learning Program is for students in Pre-K - 12th grade who are registered students at Harvest Christian Academy.

The program will be run by the school but is independent of the regular day school component of Harvest Christian Academy and is therefore supported by a separate fee structure. The Program is set up to supervise your children for up to 2 hours (3:30 – 5:30) after school dismissal Monday to Thursday (not including Fridays, holidays and minimum days). The staff of the after school program will supervise indoor and outdoor games, study time, crafts, snacks and other activities throughout the week revolving around the interests of the children.

Parents may register their children on an occasional basis, for a single day per week or for as many days per week as would meet their family's needs. **It is highly preferred that parents wishing to use this program sign up ahead of time so we can staff appropriately.** All Parents will have to come into the office to sign their children out from the program each day. Children who are still on the campus after the regular supervision period provided by the school (3:15 p.m. - 3:30 p.m.) will be directed to the after Extended Day Learning Program and parents will have to sign their children out from the program at the time of pick up and pay the daily fee.

*Parents will be billed at the end of each month for all unregistered and occasional uses of the program.

*Parents who pre-register are asked to pay monthly at the beginning of each month.

*Parents wishing to withdraw from the EDLP will need to give a 15 day notice to the EDLP staff.
